DWELLING HOUSE AND RELATED DEVELOPMENT APPLICATIONS **LODGEMENT CHECKLIST** V1 APRIL 2025

When lodging a Development Application for a single dwelling house, or for work related to a single dwelling house, applicants must ensure that all the required information requested is attached before submitting the application to Council through the NSW Planning Portal.

Use the tick boxes in the 'Applicant check' column in the table below to identify the associated plans and documents that are attached to the application. Depending on your circumstance, not all documents may be applicable.
