ADOPTION OF DRAFT AMENDMENT TO DEVELOPMENT CONTROL PLAN 2004

Notice is hereby given in accordance with Clause 21 of the *Environmental Planning and Assessment Regulation* that the meeting of the Sustainable Development Committee held on 6 October 2011 resolved to approve Development Control Plan 2004 to allow for the following changes:

1 **Interim provisions** (new Chapter 0)
The interim provisions, new Chapter 0, are intended to address a range of matters that are currently subject to clauses of Orange LEP 2000 but that have no corresponding clause within Draft Orange LEP 2011.

Council resolved to adopt Chapter 0 upon gazettal of Orange Local Environmental Plan 2011 (LEP 2011). Council will re-notify this decision as soon as practicable after LEP 2011 is gazetted.

2 **Leeds Parade provisions** (amended Chapter 7 and new map)
The Leeds Parade provisions, new Section 7.16 within Chapter 7, are intended to provide a framework for development of residential lands from LEP 2000 Amendment 6 near the Charles Sturt University campus. The proposed DCP amendment provides a master plan and various controls for the residential precinct to address a range of issues including, appropriate subdivision layout, traffic circulation, open space provision, stormwater management, water sensitive urban design, pedestrian amenity, solar access and public safety.

3 **City Entrance provisions** (amended Chapter 16)
The City Entrance provisions, new Section 16.4 within Chapter 16, relates to an area of Council owned land proposed to be zoned B5 Business Development under the draft LEP. The B5 zone is intended to provide for a bulky goods precinct and the site in question adjoins the existing homemaker site on the Mitchell Highway. This DCP amendment provides for a master plan and associated controls to promote a high standard of urban design at a key entrance point into the City.

A copy of the Plan, incorporating the amendment, is available for inspection or purchase at the Orange Civic Centre, corner of Byng Street and Lords Place, Orange. DCP 2004 is available for viewing on Council's website.
